They include all goods and services purchased for the campaign by the candidate or supporters if the campaign does not expect to reimburse the candidate or supporter. These contributions may come from the candidate, candidate's family, supporters, PACs, party committees, or other entities.

- Itemize all in-kind contributions from contributors who have given you contributions totaling more than \$50 in this reporting period.

- Report the occupation and employer for every contributor who is an individual and who contributed more than \$50 in this reporting period.
- If you have requested employment information from the contributor and the contributor has not provided it, indicate "information requested" for the occupation and employer.
- For in-kind contributions of \$50 or less, enter "total of contributions \$50 or less" and the total amount on a line on this page. Once a contributor has given you more than \$50 in a reporting period, you must list that contributor separately.
- Goods that you have retained from an earlier election such as signs are not in-kind contributions to your current campaign.

Total contributions from the same source (except the candidate and candidate's spouse) may NOT exceed \$500 in any election for Governor. The primary and general elections are considered separate elections.
